EPISODE 3: #ImmorteLuc

YALALA'S PRISON CELL - DAYS LATER

Guard.
You have a visitor.

MAMA!!

My girl.

Why did you do this?
Why do you always need
to be so brave?

KINSHASA:

FREE
YALALA

KASAI:

A young girl of 15 was arrested in Idjwi for protesting Kabila.

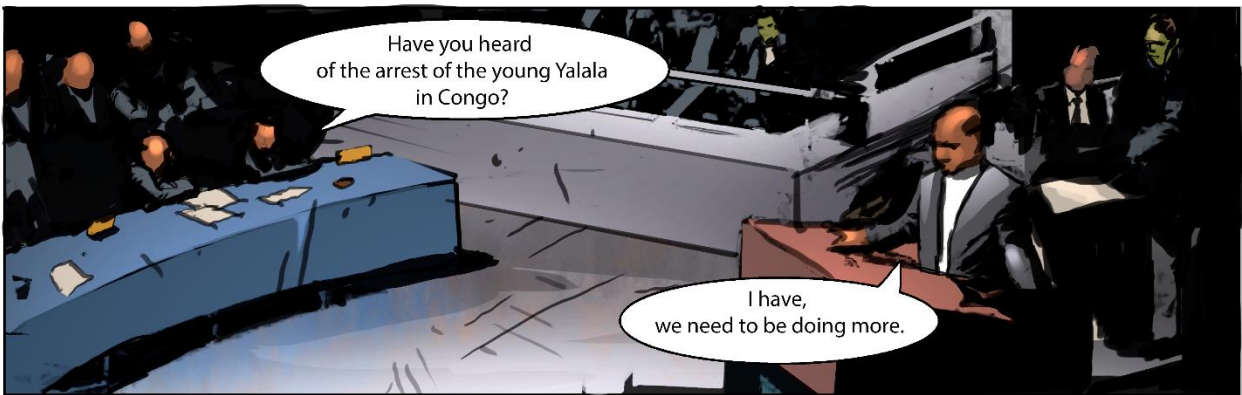

15? That is not right!

We are the future of Congo. We must take the lead of young Yalala. We must not be afraid to stand for what we believe in!

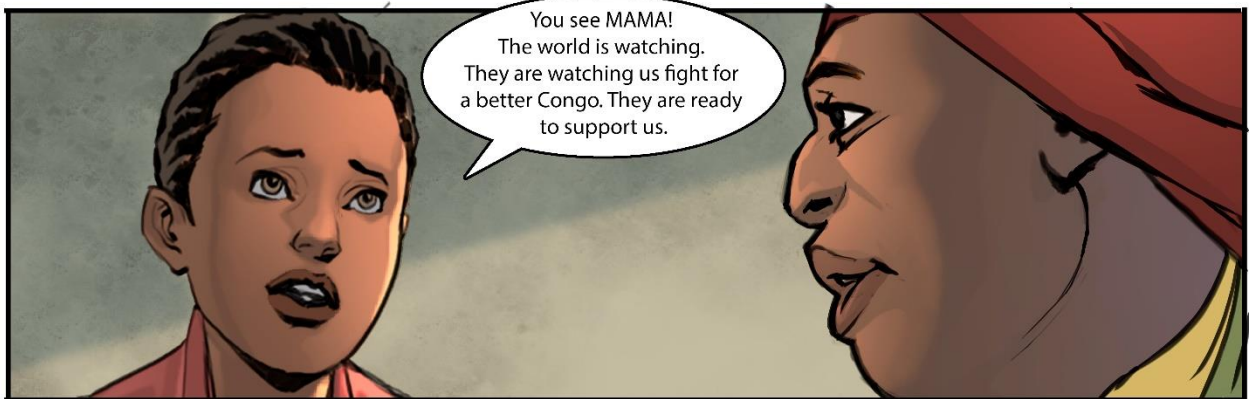

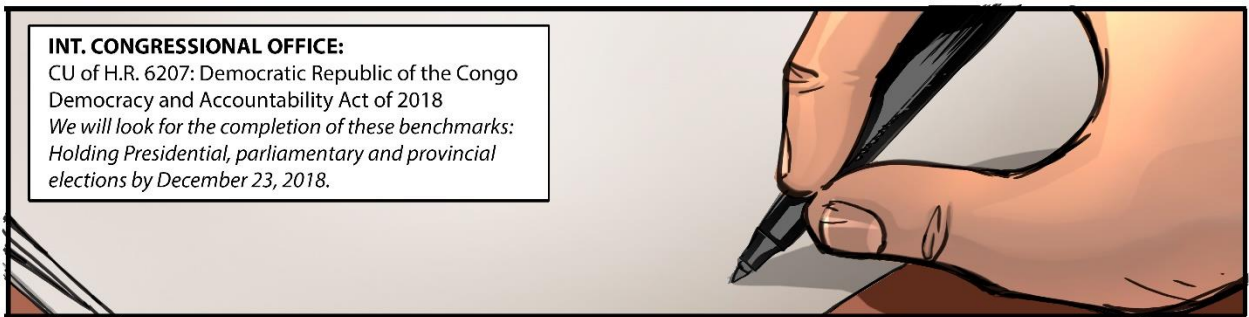

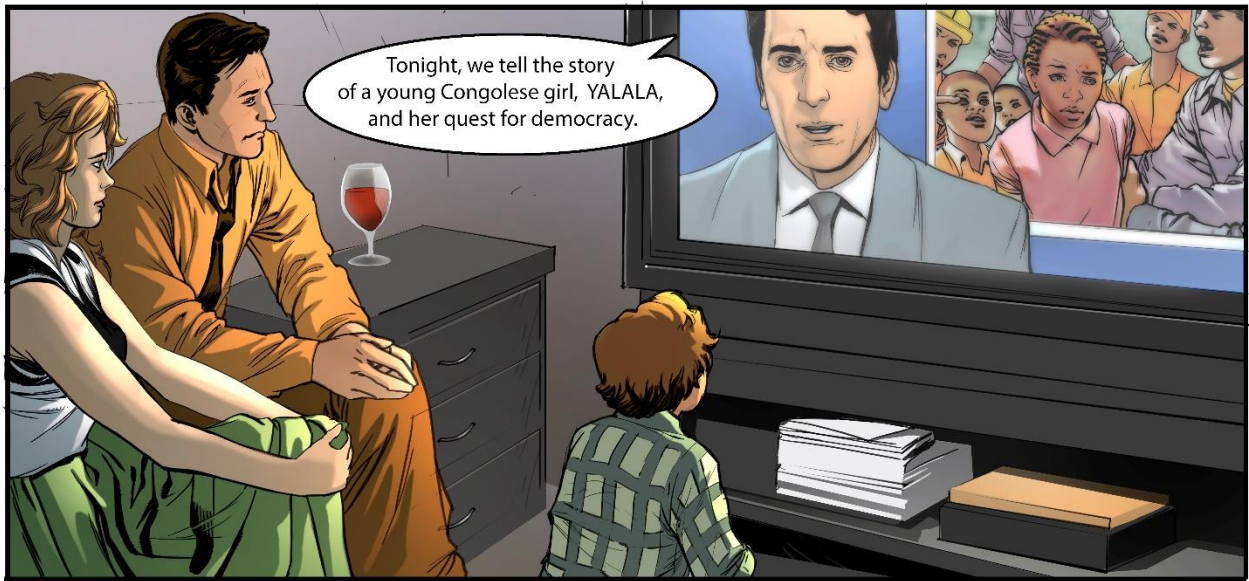

I have even heard that it has gained international press.

Have you heard of the arrest of the young Yalala in Congo?

I have, we need to be doing more.

But it has been like this for so long. Can we really believe in a better Congo?

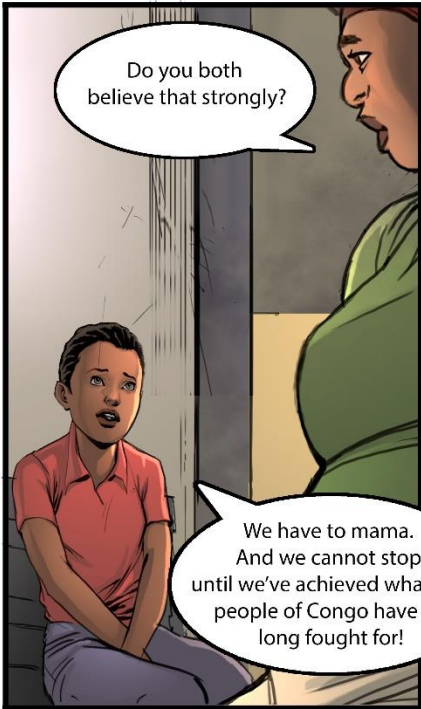

Yes you can. And I am proof. Today I will tell my commanding officer that I will no longer arrest any Congolese expressing their right for a real democracy.

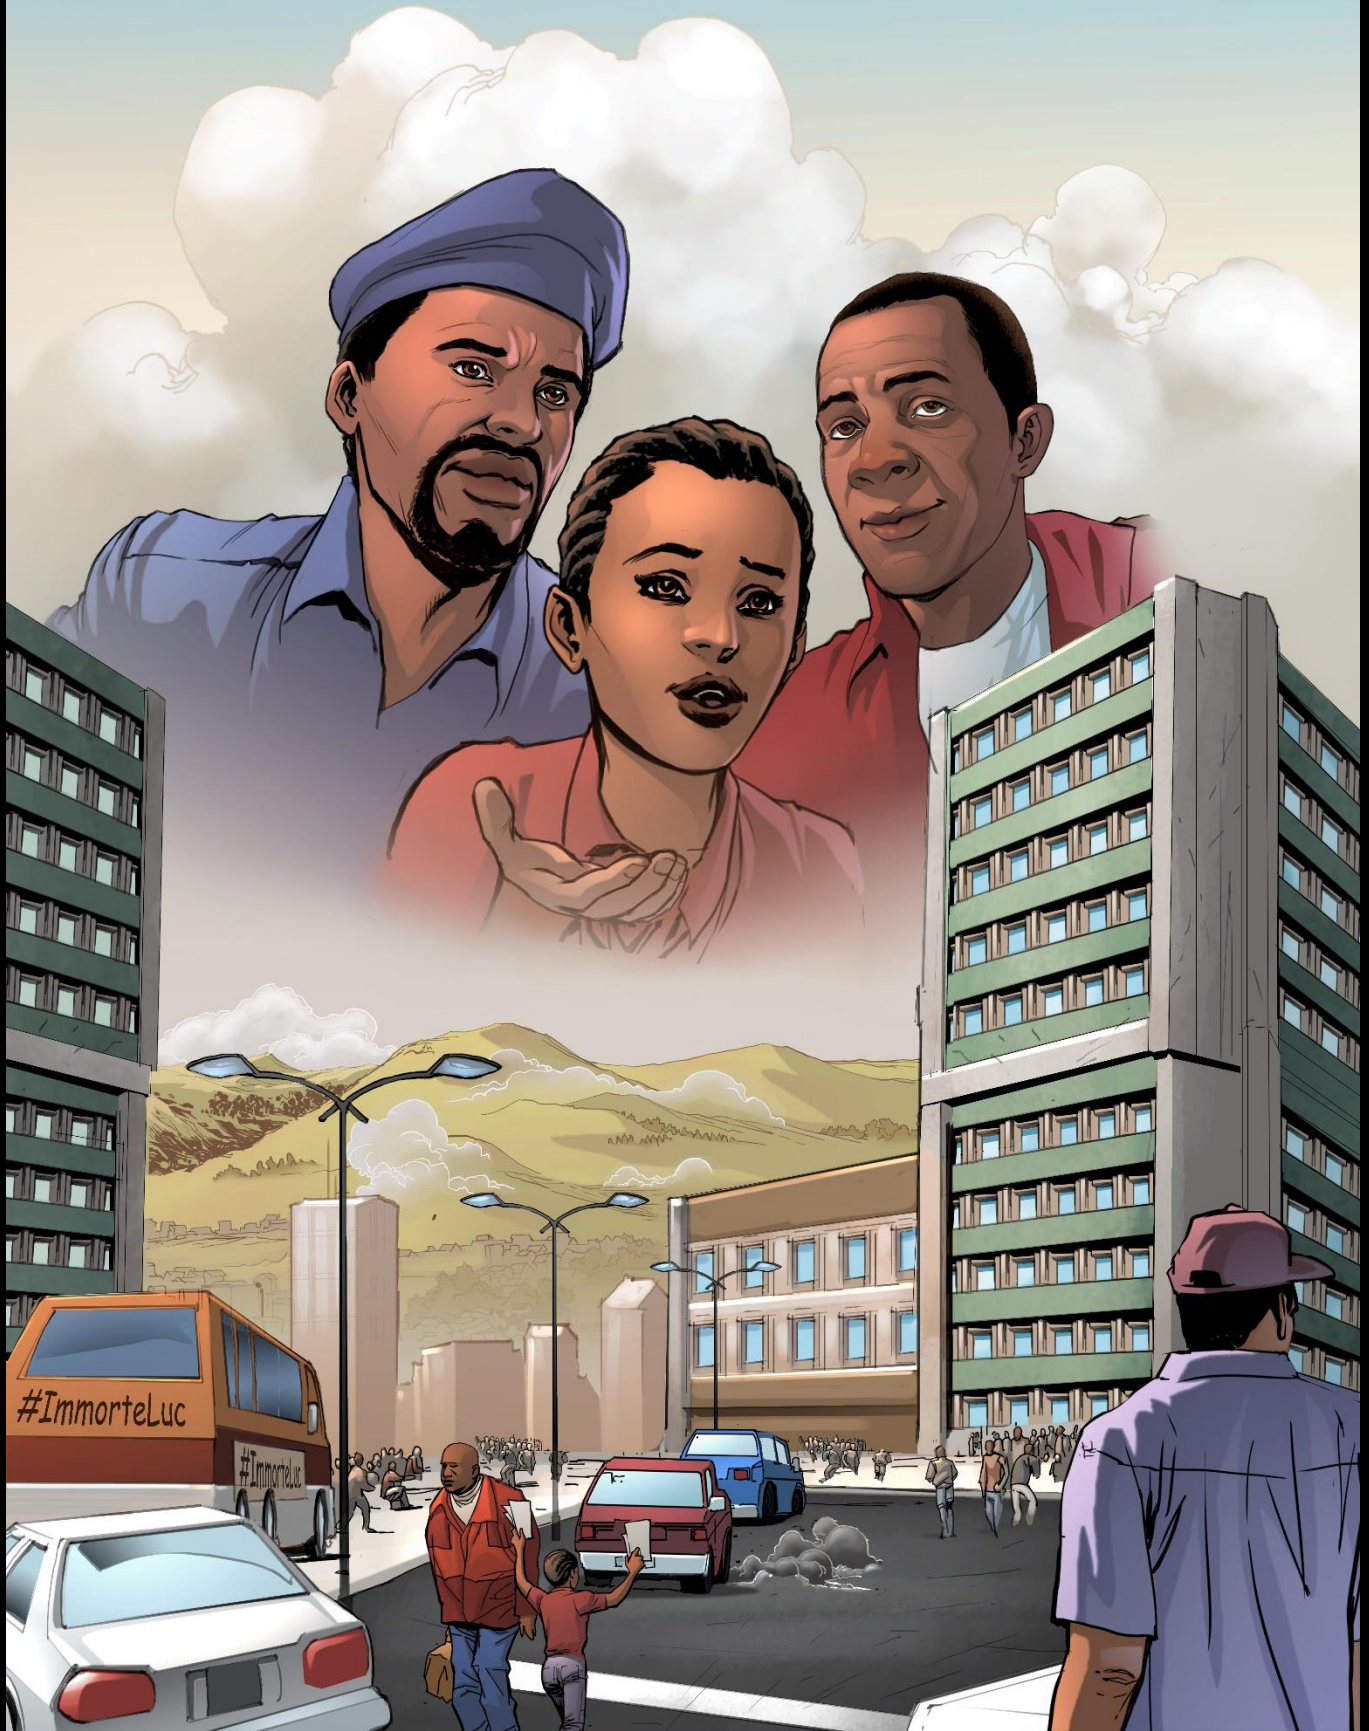

But you will lose your job? Or be arrested.

Job?! What job?! We are seldom paid, but they ask us to arrest and beat our brothers and sisters in Congo. For what? No more.

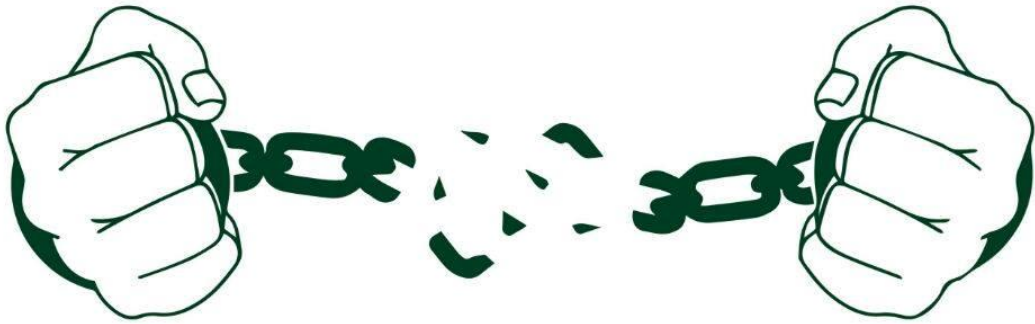

A peaceful and prosperous Congo for all Congolese.

A LUTA CONTINUA...
